33. More than any other year, the enemy plans to release the dog spirit. Strange sexual perversion, strange sexual urges to destroy so many destinies. A year

where the misuse of the two organs in your body will yield disastrous consequences. Your tongues and your sexual organs. I'll not say I'm speaking to young ones or adult, I'll make no assumption at all.

*What can I do to avoid sexual urges'?*

1. Flee every tempting situation, every tempting company.
2. Let your head be correct. Think deeply about the consequences of what you want to do. Don't allow your brain to jump to the reproductive organs. You say you want to get a degree, why don't you face that degree.
3. You should flee from pornography.
4. When such urges come to you, engage them in distraction, do something else. Re-channel your energy.
5. Quote scriptures.
6. If you've receive baptism in the Holy Spirit, start to speak in tongues.
7. Engage in deep praise and worship.
8. Get out of the environment where you find it difficult to control the urges.
9. Avoid situation that trigger urges.
10. Abstain from masturbation. I use to think that it's a problem of the young ones, I've change my mind totally now. A lot of married adult engage in this now.
11. Abstain from drugs and alcohol. Hard drug and alcohol.
12. Control your thoughts about the Holy Spirit.
13. Keep yourself very busy.
14. You could practically go take cold shower or warm bath.
15. Be a man of prayer. Prayer warriors don't have this kind of issues.
16. If all you're thinking about in your life is sex, it means that you need deliverance. A minimum of two or three weeks at prayer city so you can clear your life from the pollution of the enemies.

Misuse of your sex organs this year will yield disastrous circumstances. If you try do abortion, the child will stay and will now come (grow up) and trouble you.

How to deal with a year like this:

1. Holy living not negotiable.
2. No nonsense prayers.
3. Bible addiction. Addiction to the word of God
4. Self control
5. Sacrificial giving.
6. Hard work. Work hard as a believers.
7. Watchfulness.

That is how to deal with this year.

We as MFM members, we must commit our self to practical prayers until God shows up in our situation. Elisha prayed seven times before rain showed up. We need to pray Hannah's style too, like a drunken person. We need to also pray the Jesus type too, who prayed until His sweat was dropping out like blood.

This year then for us in MFM is : 'My year of revival and new glory'. 'My year of spiritual revival and new glory'.

We anchor that on four scriptures which I'll read now, I'll advise you to memorize these scriptures:

1. Psalm 116:8
2. Psalm 138:7
3. Isaiah 60:1
4. Numbers 8:13

Those are our working scriptures this year. That's the summary of the prophetic pictures of this year. Incase you've planned to carry out an iniquity this year. You hatched it last year and you plan to commit it this year again, I'll advise you to stop.

Any thing you're asked to do by anyone and it's against scripture or contradict it, God didn't ask you to do such thing or send such person to you. May the Lord help everyone this year in the name of Jesus!

Tell the Lord to give me the grace to succeed this year 2020.
